

# THEOPHILUS ALEXANDER ELVAN

## FULL-STACK DEVELOPER & AI ENTHUSIAST

### PERSONAL PROFILE

An ambitious undergraduate in Digital Creative Technology (Computer Science), I bring a robust skill set in full-stack development and a profound interest in Artificial Intelligence (AI), currently deepening my expertise in AI development. My academic pursuits are fueled by a commitment to innovative problem-solving and a belief in the power of collaborative learning. I am eager to leverage my technical abilities to drive technological advancement and create positive societal impact within my country and community.

*Theophilus A.E*

### VOLUNTEER EXPERIENCE OR LEADERSHIP

As President of HIMTI Binus@Malang, I will lead the organization, driving its strategic vision and work programs. This involves collaborating with all divisions for a cohesive environment and overseeing all operations for transparency and accountability. Beyond HIMTI, I'm dedicated to community engagement, participating in orphanage and nursing home visits, school programs, and environmental preservation. I also have experience mentoring new students as a freshmen leader and partner for Binusian 28. My leadership and commitment will help steer HIMTI towards its goals and make a significant positive impact.
